MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with BOB Concerning a Release from
the Reserve for DDR/ORD

25X1A

Col. Giller of DD/R, [REDACTED] and I met this afternoon with Messrs. Amory, Pettibone, and Smith in Mr. Amory's office to discuss the DDR/ORD program requirements in FY 1963. Col. Giller described in considerable detail various proposed research projects to be initiated in FY 1963. He stated that the total cost of his proposed program was estimated at [REDACTED]

of which only [REDACTED] is presently available. There was considerable discussion of various proposed activities during the course of which Mr. Pettibone questioned the adequacy of existing arrangements to coordinate research activities throughout the Government and exploit over-all Government facilities for research in support of intelligence activities. In conclusion, Mr. Amory agreed to release [REDACTED] to finance the programs envisioned and indicated that he would be receptive to a later application for additional funds if these turn out to be necessary to fund approved priority projects.
